MEMORANDUM FOR: Executive Secretary, USIB

SUBJECT : Declassification of NIS on Marine Climate
and Oceanography

REFERENCE : CNO Memorandum, Ser 009D322/85397, to
Executive Secretary USIB, 27 June 1975

1. As former Chairman of the NIS Committee, I concur with the Department of the Navy recommendation and authorization as producer, that NIS 104, Part III, Sections 1, 2, and 3 (Atlantic Basin-III, East-Central Sector of North Atlantic Marine Climate and Oceanography) may be declassified with the exception of the warning sheets immediately following the front covers and the sub-sections entitled "Comments on Principal Sources" contained in each volume.

2. I will notify all holders of this publication, insofar as they can currently be identified, that this action has been taken.
